

Edogawa City Library e-Book Service

This e-Book Service provides an improved reading environment for foreign residents who have difficulties reading in Japanese as well as quality reading opportunities.

Available Service

- Books are mainly available in English, Mandarin Chinese, and Korean. Although small in number, books in Hindi, Tagalog, and Vietnamese are also available.
- Aozora Bunko* books in Japanese are also available.
- A maximum of two books can be borrowed for two weeks (336 hours from the time a book is lent) and one item can be reserved.

* An online repository of digitized literature for which copyrights have expired or the authors have agreed to provide freely.

Instructions for Use

- Edogawa residents who possess a kashidashi-ken (library card) are eligible to use this service.
- Applications are accepted at Edogawa City Libraries.

For detailed information regarding use or questions regarding this service, please contact your nearest library or refer to the "Edogawa City Library, e- Book Service – Instructions for Use" available at the library.

For Inquiries: Edogawa City Library
