(1) I agree to the following from the application date until the end of the validity period of the certification of provision (in the case of a child who has entered kindergarten and graduated from kindergarten)

(i) To confirm whether or not Edogawa Ward has information based on the Basic Resident Ledger, information on the levy of resident tax, information on foreign residents, whether or not they receive child support allowance, whether or not they receive public assistance, information on disabled persons, etc., of the guardians (including those from the same household) necessary for the authorization and utilization adjustment of education and daycare benefits for children (hereinafter referred to as "certification"), and other information such as the employment status of the guardians, and to investigate and obtain information necessary to confirm the necessity of childcare (including ex officio confirmation of one's own number and information linkage among local governments using one's Individual Number). In addition, such information shall be shared among related organizations (including specified education and childcare facilities, etc.) and the user-paid amount (childcare fee) determined based on such information shall be presented to the specified education and childcare facilities, etc.

(ii) Submit by the due date the various required documents requested by Edogawa Ward for certification, utilization adjustment, continuation of enrollment, status confirmation, and determination of user-paid amount (childcare fee). (iii) Continued compliance with certification and attendance requirements.

(2) If (ii) or (iii) of (1) is not fulfilled, I agree for my child to be immediately withdrawn from nursery school or to have his/her education and childcare benefit certification revoked.

Even if your child is approved for admission, your approval may be cancelled if the child does not undergo an interview and medical examination, or if the results of the interview and medical examination indicate that group childcare is not feasible.

(6) All required documents for certification must be submitted by the deadline. If the documents are not submitted, the application for certification may be rejected.

(7) If you no longer require the facility's services after getting certified, or if there is a change in the certification details (family or work situation, etc.), you must notify the ward.

(8) If the application content is not true, the certification may be revoked. In addition, if you move out of Edogawa Ward, or the certification's period of validity has expired, it will be regarded as being cancelled
