Notes	Confirm							
Please be sure to submit all necessary documents for coordinating the use of nursery schools, licensed child day care centers, and community-based day care services referred to as "daycare facilities") by the due date.	ces (hereinaf-							
If documentation is not submitted, the applicant will not be eligible for utilization adjustments. Private childcare centers, centers for early childhood education and care, and community-based childcare services (hereinafter referred to as "private childcare facility for the community for the comm		_						
have unique characteristics, depending on the facility. If you wish to enroll your child, please visit the facility with your child and receive an explanation of the policy, etc.	e childcare							
3 Some facilities have a maximum age limit for being eligible for care, and the actual period may be shorter than the preferred period.								
In principle, private childcare facilities will conduct admissions starting from those who have it as their as their highest preference. (For details, see page 21 of the "Guide to Admission").								
The ward childcare centers will be adjusted from the one with the highest utilization adjustment index, not according to the order of preference. The standards for admission-related decisions are determined by the employment status at the time of application. If you start working (except for cases of childcare leave) by the first day of the month following the month you wish for your child to enter nursery school, it will be treated as an unofficial offer of								
employment. (a) After enrollment, please re-submit an employment certificate or other documents in order to reconfirm employment and family situation. Adjustments will be made based on the assumption that the applicant's employment and family situation at the time of application will not change after the child's enrollment. If your work or family situation changes prior to the month your child is enrolled, the acceptance may be cancelled or your child may be withdrawn from nursery school.								
The contents of the application are not true, the result of admissions-related decisions or the acceptance to the nursery school, etc. may be nullified. In addition, if your child cannot attend interviews or medical examinations by the day prior to the admission date, or depending on the result of the medical examination, the result of the admissions-related decisions for the nursery school, etc. may be nullified.								
(8) If there is no longer a need to enroll the child in a nursery after application, or if there is a change in the details of the application (family situation, employment status, etc.), notification must be submitted Please get in contact as soon as possible.								
9 Please note that you cannot go back to the original nursery after your request for a transfer is accepted.								
(10) The hours indicated in the certification of need for childcare differ from the actual hours of care. The actual hours of care will be determined by the direct facility after the decision to use the service is made, depending on the family's situation.								
(1) The period of approval for those seeking employment is three months from the date of enrollment. Please submit proof of employment after the start of we 15th day of the third month. If a work certificate is not submitted, the child will be dismissed from the school.	ork by the							
(12) The period during which a child can attend nursery school, etc. due to the mother undergoing childbirth is within a total of five months, including the mor which the baby is due and two months before and after.	nth during							
(3) The ward will not be responsible for any delay, non-delivery, or loss of the submitted documents due to postal accidents, etc. Please note that we will not confirm the arrival of your documents by phone.	-	コ						
The requirement for continued enrollment at nursery schools, etc. is that the parent/guardian must be working, attending school, or providing nursing care for 48 hours or more per month (excluding transportation time and break time). If there is no longer a need for childcare, the child will be dismissed.								
(5) In principle, the child will also be withdrawn from nursery school, etc. in the following cases.								
 ◆ If the child has not attended a childcare facility for more than two months and the need for daycare is not recognized ◆ If you move out of Edogawa Ward (however, if the prescribed filing procedures are followed, your child may be able to attend nursery school) ◆ In case that the documents indicating the reason childcare cannot be provided, which are periodically checked, are not submitted 								
User-paid amount (childcare fee) is based on a monthly basis. Even if you leave in the middle of the month, you will be charged one month's worth of use (childcare fees).	er fees							
(f) If the user's payments (childcare fees) are overdue without a valid reason, the result of admissions-related decisions may be withheld.								
(18) If you wish to extend the period of receiving childcare services (the hours of childcare vary depending on the classification of standard hours and reduced To apply for extended childcare at a ward nursery school, you need to submit a separate "Extended Daycare Application Form". For extended childcare at private childcare facilities, you must apply directly to each school after receiving an admission offer.	hours)							
(19) This application form is valid until the end of the school year of the month in which you wish to enroll your child at the school (until March). A separate application is required for enrollment from April of the following year.								
 If there is a change in the certification classification, your child may not be able to continue attending the nursery school. Due to the number of applications, it will take some time to issue certificates for those who applied for admission in April, so it will be sent together with the notice of the result of admissions-related decisions.
