In Edogawa City, the following can not be disposed of as large-sized garbage.

- Items dealt with by Electric Appliance Recycling Law (air conditioners, TV, washing machine/clothes dryer, refrigerator/freezer)
- Items dealt with for the PC recycling (Main unit, display, key board,laptop computer)
- Items thought of as being a proper processing difficult article (motorcycle, car, tire, fire-proof safe, extinguisher, gas container kind and so on)
- Items the collection of which is difficult (such as things whose length exceeds 1 m 80 cm roughly, or the trunk of a tree whose diameter exceeds roughly 30 cm)

○Entrust the fault big garbage which occurred with the active conduct of business to the solid-waste-treatment supplier.
