★Touch Care★

We held a baby massage on **February 8th (Thursday)**. Here are some impressions from the participants.

- ◎ It was very helpful for me to explain how to interact with children in an easy-to-understand manner.
- ◎ You can learn how to touch your baby and enjoy it right away at home.
- ◎ I'm glad I knew how to speak during the massage.

※ This year's course has ended.
Thank you for all your applications.

Congratulations on graduating from Hiroba.

Children who will be entering 1st grade in April will have until Friday, March 29th to use the Childcare Plaza. (30th and 31st are Saturdays and Sundays)
Thank you for using Childcare Plaza.

“Nice to meet you.” The conversation begins with these kinds of conversations, and we invite you to relax in the plaza in a peaceful atmosphere. I am.

It's okay if you don't know how to play with your baby. We also introduce fun activities that you can play at home.

Hinamatsuri

Hinamatsuri is a day to pray for the healthy growth and health of girls. It is also called “Peach Festival” because it is the spring season when peach blossoms bloom.

Introducing the thoughts behind the standard Hinamatsuri food.

Chirashi sushi and hishi mochi have the meaning of longevity and prosperity of descendants, while hina arare represents the four seasons.

It contains the feeling of praying for the happiness of children throughout the year.

It seems that people started displaying hina dolls in hopes of bringing happiness to children.
