⑥Notes on the provision of tax information, etc., the levy and collection of childcare fees, and the approval of education and childcare benefits, utilization adjustment, etc.											
I agree to the following terms and conditions.	DD/ MM/ YYYY	Name of parent/guardian (signature)									

(1) I agree to the following from the application date until the end of the validity period of the certification of provision (in the case of a child who has entered kindergarten and graduated from kindergarten)

(i) Edogawa City shall verify information regarding guardians (including members of the same household)—such as data from the Basic Resident Register, resident tax assessment records, foreign resident status, receipt of child-rearing allowances, receipt of public assistance, and disability status—as well as confirm the necessity of childcare (e.g., guardians' employment status) and investigate or obtain the information required for such confirmation (including the verification of Individual Numbers [My Number] via official authority and information sharing between local governments using Individual Numbers) and the sending of proactive notifications. Furthermore, the City shall share such information with relevant agencies (including designated education and childcare facilities) and disclose the user fee (childcare fee)—determined based on said information—to the designated education and childcare facilities.

Following enrollment, relevant agencies (including designated education and childcare facilities) shall share information regarding the family situation and the circumstances of the child and guardians as necessary.

(ii) Submit by the due date the various required documents requested by Edogawa Ward for certification, utilization adjustment, continuation of enrollment, status confirmation, and determination of user-paid amount (childcare fee).

You may be asked to submit documents that can be omitted because they are subject to information linkage. In addition, other documents may be requested separately as necessary.

(iii) Continued compliance with certification and attendance requirements.

(2) If (ii) or (iii) of (1) is not fulfilled, I agree for my child to be immediately withdrawn from nursery school or to have his/her education and childcare benefit certification revoked.

(3) If the criteria for certification and childcare services are not met, the preferred certification may not be attained.

(4) Due to the number of applications, it will take at least 30 days from the closing date of the application period to send the certification of provision and notice of utilization adjustment result for April applications.

(5) Even if you are certified, if there are too many applicants for admission, your child may not be admitted to the facility of your choice, due to admission-related decisions. Even if your child is approved for admission, your approval may be cancelled if the child does not undergo an interview and medical examination, if you do not respond to communication from the ward, facilities, or other related institutions (including cases where you cannot be reached), or if, as a result of the interview and health examination, it is determined that participation in group childcare would be difficult.

(6) All required documents for certification must be submitted by the deadline. If the documents are not submitted, the application for certification may be rejected.

(7) If you no longer require the facility's services after getting certified, or if there is a change in the certification details (family or work situation, etc.), you must notify the ward.

(8) If the application content is not true, the certification may be revoked. In addition, if you move out of Edogawa Ward, or the certification of provision's period of validity has expired, it will be regarded as being cancelled.

(9) If you move into or out of Edogawa Ward, information on enrollment may be shared among local governments as necessary.

When simultaneously applying for 2 or more children (siblings) *Please check one of the following, out of boxes ① to ③.

☐ ① I wish to enroll my children only if I can enroll them **during the same period and at the same childcare facility.**

*Please note that if **all siblings are** unable to enter the same childcare facility at the same time, **their admission will be put on hold.**

☐ ② If they can be admitted **at the same time**, I wish to enroll them, even if they are placed at different childcare facilities.

➡ Please select one of the items on the right... ☐ They can be placed in separate childcare facilities, and for each one, I would like for the most highly-preferred childcare facility to be given priority.
☐ I prioritize having my children placed at the same childcare facility, even if the facility ranks lower on the list of preferences.

*Please note that if **all siblings are** unable to enter childcare facilities at the same time, it will result in **a rejection for all siblings.**

☐ ③ Even if **only one child can be admitted**, I wish for the child to be enrolled.

➡ Please circle or write in who will take care of the child(ren) who is/are not admitted.

[☐ Because the childcare providers ☐ Certified childcare center/ ☐ Company-led childcare center ☐ Accompanying the workplace/ ☐ Grandparents/ ☐ Other ()]

*If even one child is admitted to the nursery school, he/she will be withdrawn from the nursery school if the requirements for employment or other enrollment requirements are not met. Please consider who will take care of the child(ren) who is/are unable to attend a nursery school.

◆ **If you apply for private facilities (first-time) in April, including siblings in the 0-year-old class, and you chose ① or ② above**

The admission-related decisions for the enrollment into the 0-year-old class for April will be made from the second-time private school. For this reason, during the screening for the first-time private school, we will make selections for children for the 1-year-old class and above without taking into consideration preferences listed in ① and ② above. From the second-time private school onwards, we will adjust the use of the service, taking into consideration the preferences listed in ① and ② above.
